The diagram illustrates the layout of a pyramid roof, showing the arrangement of rafters (HWA) and the resulting wall and ceiling dimensions. The central area is a rectangle divided into four quadrants labeled A, B, C, and D by dashed lines representing the rafters. The corners are marked with '0-PUNT' (Zero Point) and arrows indicating the direction of measurement. The drawing includes input fields for various dimensions in millimeters (mm):

- Top Dimensions:**
 - Muur lengte (Wall length)
 - HWA 2 (rechts) (Right HWA 2) - Meten vanaf het 0-punt (Measure from the 0-point)
 - HWA 1 (links) (Left HWA 1) - Meten vanaf het 0-punt (Measure from the 0-point)
 - Plafondmaat (Ceiling measurement)
- Left Dimensions:**
 - HWA 1 (links) (Left HWA 1) - Meten vanaf het 0-punt (Measure from the 0-point)
 - Muur lengte (Wall length)
 - Plafondmaat (Ceiling measurement)
 - HWA 2 (rechts) (Right HWA 2) - Meten vanaf het 0-punt (Measure from the 0-point)
- Right Dimensions:**
 - HWA 2 (rechts) (Right HWA 2) - Meten vanaf het 0-punt (Measure from the 0-point)
 - Muur lengte (Wall length)
 - Plafondmaat (Ceiling measurement)
 - HWA 1 (links) (Left HWA 1) - Meten vanaf het 0-punt (Measure from the 0-point)
- Bottom Dimensions:**
 - Muur lengte (Wall length)
 - HWA 1 (links) (Left HWA 1) - Meten vanaf het 0-punt (Measure from the 0-point)
 - HWA 2 (rechts) (Right HWA 2) - Meten vanaf het 0-punt (Measure from the 0-point)
 - Plafondmaat (Ceiling measurement)
