The diagram shows a facade with a gable roof, divided into two sections labeled 'A' (top) and 'B' (bottom). The roof is highlighted in orange and blue. The facade is marked with '0-PUNT' at the top and bottom corners. The drawing includes various measurement fields and labels:

- Top Section (A):** Labeled 'A' in orange. It includes a '0-PUNT' label at the top right corner.
- Bottom Section (B):** Labeled 'B' in blue. It includes a '0-PUNT' label at the bottom left corner.
- Measurement Fields:**
 - Muur lengte:** A horizontal input field for the wall length in mm.
 - Positie HWA:** A vertical input field for the horizontal window axis position in mm, with a center icon and the text 'Meten vanaf het 0-punt' below it.
 - Plafond diepte:** A horizontal input field for the ceiling depth in mm.
 - Lengte overstek:** Two horizontal input fields for the overhang length in mm, one on the left and one on the right.
 - Lengte hoekklas:** Two vertical input fields for the corner length in mm, one on the left and one on the right.
 - Positie HWA (vertical):** Two vertical input fields for the vertical window axis position in mm, one on the left and one on the right, with a center icon and the text 'Meten vanaf het 0-punt' below each.
- Labels:** '0-PUNT' labels are placed at the top and bottom corners of the facade sections.
